Plain text description of item

Invoice Number

*Are These Items Deemed Controlled Goods?

No

If yes, additional commodity code information required

Delete Item

Save (Ctrl + s)

An item should be added for each type of product on the consignment.

To add a new item, click Save, and return to the consignment page.

Submission to TSS

After all information has been completed, press Submit.

TSS will then return 2 or 3 emails to users on the account.

TSS will issue an MRN for the ENS via e mail beginning with 21XI. This should be sent to Woodside through Vigo:

Movement Reference Number/EORI for EIDR:

[DEC000000000309555](#)

MRN: 21XI01I06POB7I8007

TSS is temporarily issuing EORI for the SFD again via e mail instead of an MRN. This should also be sent to Woodside through Vigo:

TSS is not currently issuing MRNs for the SFD. In order to complete a GMR on GVMS, you should use the following EORI: GB028399684000.

For further information on completing these forms, please refer to the Creating ENS Declarations guide at
